

## Final Thoughts Geography

<b>Topic:</b> World History	<b>Grade Level:</b> Middle School	<b>Time:</b> 1 class period of 40-50 minutes
<b>Lesson Goal:</b> Students will create a timeline of the development of culture and society in the Middle East		
<b>Lesson Objectives:</b>  Student will:  Watch <i>Windows and Mirrors</i> DVD-Middle East Final Thoughts module.  Collate information from previous modules to create a timeline using images.  Determine events to be presented on the timeline.		
<b>Materials Needed:</b> <i>Windows and Mirrors</i> DVD-Middle East Computers with Internet access		<b>Vocabulary:</b> Timeline
<b>Lesson:</b> <b>10 minutes:</b> Large Group - View Final Thoughts module on <i>Windows and Mirrors</i> DVD-Middle East		
<b>15 minutes:</b> Working either in a large group or small groups a timeline will be developed for the Middle East. Small groups could be given different topics for their timeline, such as inventions, heritage sites, countries, etc.		
<b>15 minutes:</b> Using either a timeline application on the computers or paper, students will add dates and images to their timelines.
